

## **GOVT. COLLEGE FOR WOMEN LAKHAN MAJRA, ROHTAK**

### **ALUMNI FEEDBACK ANALYSIS-2021**

For the holistic development in different spheres of stakeholders and progressive growth of an Institution, feedback plays a significant key role as it is such a method to collect the true picture with analysis of appreciation and suggestions of the existing system. Feedback is basically information collected about how one is doing in effort to reach a goal. Keeping this view as a necessary requirement to enhance the growth of all stakeholders in every way pacing with modern times, the college takes feedback from its Alumnae. The college authorities pay special attention and impactful emphasis to fulfil all suggestions collected through feedback.

Feedback has been collected from Alumnae through Google forms concerning to focal points i.e Academic content, Adequacy of labs, career counselling and placement Facilities, Course coverage and delivery, Computer Facilities, Commitment of the teachers to the class, co-curricular and extra-curricular activities, Library Facilities, Sports Facilities and other facilities related to infrastructure available in the college. Brief summary of the feedback received from Alumni during the session 2020-2021 is as under;

Majority of the alumnae (98%) asserted that the academic content is good which includes all kinds of teaching-learning activities and there has been a very good level of satisfaction about career counselling and placements activities (94.6%), discipline in the campus (94%), mentor-mentee bonding (99.3%), fairness of internal assessment (98.6), course coverage and delivery (98.7%), grievance redressal system (97.4%) which shows the good level (99.4%) of commitment of the teachers to the class.

There has been overall a very good response (96.6%) of appreciation of the range of co-curricular and extra-curricular activities conducted by different designated cells and subject societies.

Further, the alumnae also confirmed a very satisfactory level concerning to computer facilities (93.3%), Adequacy of infrastructure and labs (96%), library facilities (99.4%) and sports facilities (94.7%) in particular and other facilities in general.

To Conclude, alumnae feel proud to be associated with this college. They appreciated the dedicated, friendly and co-operative attitude of the college staff, teaching-learning environment, mentor-mentee bonding and discipline in the college campus.

In order to go ahead towards achieving the perfection level, there is always a scope of improvement which can be done through suggestions. The alumnae have suggested for providing better infrastructure, introduction of campus placement facilities and PG courses, assistance in better public transport facilities, improved sports facilities & provision of canteen facilities.

The final feedback report collected from alumnae comprising of both words of appreciation and suggestions as well has been submitted to IQAC which conveyed the same to the Principal who assured of taking necessary steps in this regard.
